SERIES— DESIGN & ANALYSIS AIDES

“RULES OF THUMB” by Craig Barnes, P.E.

Craig is the founder of CBI Consulting, Inc. and has over 40 years of structural design and analysis experience in new construction and existing structure retrofit. Craig is a registered Professional Engineer in 17 states and the author of over 25 technical papers and articles.

WHAT TO EXPECT?

This session will cover rules of thumb that we can apply to complete analysis and design within a short amount of time while fulfilling the performance criteria, meeting the budget constraint and avoiding construction complexity. Both new and renovation projects will be addressed. Attendees will be given a chance to find answers to specific project issues or concerns in their field.

2nd General Body Meeting

1. Meet and greet SEAMASS Board of Directors.
2. General election: Records Keeper, Events Coordinator and Fundraiser Positions
3. Discussion of proposed upcoming events and activities.

LOCATION: Weidlinger Associates, Inc.—27 Wormwood St. Suite 200, Boston, MA 02210

COST to attend: \$20.00

Please RSVP by Wednesday January 16th to <http://seamassymg.eventbrite.com/>
