Bassem Almuti, PE - *President*
Nathan Roy, PE - *Vice President*
David Schnerch, PE, Ph.D - *Treasurer*
Brian Twomey, PE - *Secretary*
Lisa Davey, PE - *Past President*

SEAMASS 2023 Structural Engineering Student Scholarship Opportunity

SEAMASS is pleased to announce that we will award up to two scholarships in May 2023 in the amount of \$2,500 each to one or two candidates who are a college student (at an ABET accredited university) with a focus on Structural Engineering. This scholarship is open to all undergraduate and graduate students enrolled in Civil or Architectural Engineering programs. Applicants must either be studying at a Massachusetts University or a resident of Massachusetts.

Interested candidates shall provide a brief essay of 500 to 1,000 words in response to these questions:

1. What inspired you to study Structural Engineering?
2. How do you see yourself contributing to the Structural Engineering field following graduation?

Essay Submission Deadline: April 14, 2023 by 8:00 p.m. EST

Candidates must email their completed essays, or any questions, to secretary@seamass.org.

The SEAMASS Scholarship Committee shall review all essay submissions. Awards will be announced in early May, and selected candidates will be invited to the SEAMASS Annual Meeting & Dinner, tentatively scheduled for May 17, 2023.

ABOUT SEAMASS: *The Structural Engineers Association of Massachusetts (SEAMASS) is a non-profit, member-driven organization that pursues the common interests of practicing structural engineers and others sharing an interest in the activities of structural engineers. Our mission is to advance the structural engineering profession and serve our members through consistent communication, recognition, and education opportunities. To learn more about SEAMASS, visit seamass.org.*

Additional 2023 Scholarship Opportunities & Submission Deadlines:

Structural Engineers Foundation – 6 Merit-based Tuition Scholarships

The [Structural Engineers Foundation](http://www.seamass.org/images/2023_SEF_scholarship_app.pdf) of the National Council of Structural Engineers Associations (NCSEA) will award *six (6) merit-based tuition scholarships* to undergraduate and graduate students enrolled in structural engineering programs.

Application Deadline: March 31, 2023 by 6 p.m. EST

Full Details & Online Submission Form: https://www.seamass.org/images/2023_SEF_scholarship_app.pdf

NCSEA Diversity in Structural Engineering Scholarship Program

In 2021, the [NCSEA Foundation](http://www.ncsea.com/about/foundation/diversityscholarship/) established the *NCSEA Diversity in Structural Engineering Scholarship Program* to award funds to students traditionally underrepresented in structural engineering (including but not limited to Black/African Americans, Native/Indigenous Americans, Hispanics/Latinos or Spanish, Asian, Native Hawaiian or Pacific Islander, and other people of color, those with disabilities, veterans and LGBTQIA+). Multiple scholarships are presented annually to junior college students, undergraduate students, and/or graduate students pursuing degrees in structural engineering.

Application Deadline: March 20, 2023
